

## Courtesy Light Installation Instructions

(Base Part #: 69670)

### PARTS/TOOLS NEEDED:

				
Courtesy Light	Mounting Screws	2" Hole Saw Bit (not provided)	Butt Splice Connectors (not provided)	Power Drill

### IMPORTANT SAFETY INSTRUCTIONS. READ CAREFULLY FOR YOUR PROTECTION AND SAVE ALL INSTRUCTIONS.

\*Disconnect power before installing, adding or changing any component.

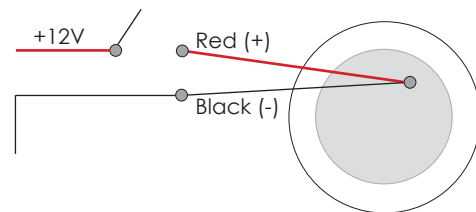

\*To avoid a hazard to children, account for all parts and destroy all packing materials.

\*It is recommended that fuse protection be added to the positive(+) input.

1. Determine the installation location for your light.  
Once determined drill a 2" hole using a hole saw.

2. Wire the light following the wiring diagrams below.  
The color sequence of the light will be as follows:  
Red → Off → Blue → Off → White.  
If the light is off for more than 30 seconds it will re-start the cycle and return to red.

3. Feed wires back through the hole and screw the light in place using the screws provided. Attach the bezel by lining up the cutouts and rotating until it snaps in place.
